The screenshot displays the Proctoring Test NSDC interface. At the top, there is a header with the text "Proctoring Test NSDC" and a user profile picture of a man. To the right of the profile picture, there is a timer showing "29 min : 45 sec". Below the header, the question is displayed: "Question No.1" followed by a question mark icon and a minus icon. The question text is "Which of the following options best describe the X shown in the image?". Below the question, there are four radio button options: (A) Allahabad Bank, (B) HDFC Bank, (C) ICICI Bank, and (D) State Bank of India. To the right of the question, there is a grid of numbers 1 through 10. At the bottom of the interface, there is a navigation bar with buttons for "SAVE & NEXT", "Save Response", "Reset", "Review", and "Submit test". There is also a status bar at the very bottom indicating "customerdelightthinkexam.com is sharing your screen." and a "Stop sharing" button.

Important Notes:

- Ensure that you are in a quiet environment with a stable internet connection throughout the test.
- Make sure your webcam and microphone are functioning correctly before starting the test.
- Do not navigate away from the test window or open other applications, as this may trigger the proctoring system.
